

There is no such thing as a dumb idea

We want to know your ideas!
We put this pattern to banana,
where would you put it?

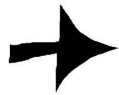

Usually the most crazy ideas are
the best ones and the life is
too short to be serious. We love
what we do and we do it with
playful attitude.

We use our collective design philosophy so that we wouldn't stuck into old patterns. We design together and share our ideas and sketches to each other.

Anyone can be part of our design prosess. We ask ideas from our followers on Facebook and turn those ideas into patterns. Sharing makes things better!
